

LIFT CERTIFICATE

OF COMPLETION

We are extremely proud to be on this journey with you, raising the level of positive leadership in Ireland. Leadership is influence: nothing more, nothing less.

Our actions influence those around us, creating a ripple effect on our society. Through LIFT we become aware of the impact of our actions, and we take small action steps, which when done consistently result in great change. This strengthens our ability to ask better questions, to make better decisions and to be better humans. Here's to you for embracing positive leadership in your life.
